CONTINUING EDUCATION INFORMATION: • +

PHYSICIANS:

ACCREDITATION: This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council For Continuing Education through the joint providership of the University of Tennessee College of Medicine and the Mental Health Association of East Tennessee. The University of Tennessee College of Medicine is accredited by the ACCME to provide continuing medical education for physicians.

EDUCATION CREDITS: The University of Tennessee College of Medicine designates this live activity for a maximum of 12 AMA PRA Category 1 Credits. Physicians should claim only the credit commensurate with the extent of their participation in the activity. Physician Assistants may use these credit hours toward certification renewal. This credit is acceptable by the American Academy of Physician Assistants (AAPA).

PAS, NPS AND NURSES: Physician Assistants, Nurse Practitioners and Nurses may use these credit hours toward certification renewal. This credit is acceptable by the American Academy of Physician Assistants (AAPA), American Nurses Credentialing Association (ANCC) and the American Academy of Nurse Practitioners (AANP).

NURSES: This program provides up to 12 contact hours through The University of Tennessee, College of Nursing. The University of Tennessee College of Nursing is an approved provider of continuing nursing education by the American Nurses Credentialing Center. The specific criteria for awarding contact hours for this event includes: breakout session attendance and completion of the session evaluation AND the completion / submission of conference evaluation. Participants must ADD & include \$10 CE Fee with registration.

PSYCHOLOGISTS: KAPA maintains responsibility for this program and its content. KAPA has designated up to 12 Type II credit hours for attendees of the 24th Fall Psychiatric Symposium; up to 6 CE credits for each day Thursday, November 18th, and Friday, November 19th.

The Symposium presentations will be pre-recorded, with live 15 minute Q&A sessions at the end of each segment. Because of this format and APA guidelines for Type I CE credits, KAPA will not be able to offer Type I certificates for participation in the Symposium this year. The credits obtained through KAPA for participation at the Symposium will be Type II CE credits. Under normal circumstances, Type II CE credits obtained via the internet are not eligible to fulfill the TN Board of Examiners in Psychology CE requirements for licensure recertification.

However, based on consultation with the TN BOE, KAPA has confirmed that the requirement for live in-person CEs has been suspended through the end of the year, so the Type II credits you receive from the Symposium will fulfill your Type II requirements for licensure.

See the KAPA website, www.knoxvilleareapsychology.org for additional information on individual workshops including educational objectives and instructional level. There is an additional \$20 fee for non-KAPA members wanting CE credit from KAPA. This fee is payable with your registration.

SOCIAL WORKERS: This program was approved by the National Association of Social Workers – Tennessee Chapter (Provider Number: NASWTN 2021-0103) for up to 12 continuing education units.

LICENSED MARRIAGE & FAMILY THERAPISTS: LMFTs are required by the TN Licensure Board to earn “Soft CEUs” or contact hours. Contact hours earned equal the total number of hours attended. Attendees may earn up to 12 contact hours based upon actual attendance.

LICENSED ALCOHOL AND DRUG ABUSE COUNSELORS: This training is approved by the Tennessee Department of Mental Health and Substance Abuse Services, Division of Substance Abuse Services, for up to 12 LADAC contact hours.

PROFESSIONALS NOT LISTED OR LICENSING BOARD: Please note your accrediting organization may accept a certificate of attendance (contact hours) for attending the Fall Psychiatric Symposium. Certificates will be provided based on actual hours of attendance. It is the attendee's responsibility to verify the accrediting body can accept and apply this certificate of attendance toward CE requirements they may maintain.
